About the Institution

The Oxford College of Engineering is one of the most prestigious institutions run by the Children's Education Society. TOCE aims at carving competent students with extraordinary value system to face challenges of the continuous changing world. TOCE provides quality training in professional education in UG/PG programmes. The Institution is well known for its consultancy, Research and Development activities. Various departments have financial assistance from reputed state (VGST/KSCST/VTU), Central (URDO-NRB, DAE-BRNS, AICTE, ICMR, NIF) funding authorities to cater the need of young researchers and students in engineering and management domains. The College has 11 Research centers approved by VTU to carryout Ph.D and M.Sc Engineering Programmes. TOCE is an authorized training center for Oracle work Force Development Programme. TOCE has been accredited by NAAC and NBA.

CONFERENCE:

The Unique idea behind National Conference on Science, Engineering & Management (NCSEM-18) is to provide a platform for Academics, Scientists, Researchers & Industry Professionals from around the country to network & exchange their innovative idea and to discuss on the latest advancements in the interlinked domains of Engineering, Science and Management.
